

RESOLUTION
Resolution Number: 2008-12-19-A
Establishing the District Fee Schedule

WHEREAS, the Legislature of the State of Texas created the Victoria County Groundwater Conservation District by adoption of House Bill 3423 and the District was confirmed through an referendum of the voters of Victoria County; and

WHEREAS, The Texas Water Code has delegated to the District the power to make and enforce rules, including the ability to establish and prescribe reasonable fees; and

WHEREAS, the District has adopted District Rules that become effective upon approval of the District Management Plan by the Executive Administrator of the Texas Water Development Board and said rules provide for the establishment of a schedule of fees by resolution:

NOW THEREFORE BE IT RESOLVED THAT:

The District establishes the fees of the District as described in the attached fee schedule and that the schedule becomes effective upon approval of the District Management Plan by the Executive Administrator of the Texas Water Development Board.

ADOPTED by a vote of 3 ayes and 0 nays on this 19th day of December, 2008.

Mark Meek, President

I, the undersigned, do hereby certify that the above Resolution was adopted by the Board of Directors of the Victoria County Groundwater Conservation District on the 19th day of December, 2008.

Barbara Dietzel
Secretary, Board of Directors

Victoria County Groundwater Conservation District
