APPLICATION TO VALIDATE HISTORIC USE OF A WELL FIELD

Complete this application for the purposes of obtaining a historic use production permit for a grandfathered, non-exempt well field.

WELL FIELD means the collection of non-exempt use wells located on a contiguous tract of land or on tracts of noncontiguous land, without intervening private ownership or private control, owned or controlled by a person, and operated to produce groundwater for one or more non-exempt use purposes.

Note: In accordance with the District's rules, the District may request additional information not requested in this application in order to consider the application administratively complete.

Instructions:

1. Complete the form to the best of your knowledge and belief.
2. Type or print all information.
3. Attach copies of any relevant documentation or information to this application including:
 - a. a scaled map of the well field that accurately describes the geographic extent of the boundary of the well field relative to public roads, the location of property lines within and at the perimeter of the well field, and the location of each water well within the boundary of the well field;
 - b. documentation demonstrating the ownership or control of the contiguous tract of land on which the well field is located; and
 - c. documentation demonstrating authority to act as an agent of the landowner if the application is submitted under the signature other than the landowner's signature.
4. If a portion of the information requested on this form cannot be provided, enter "unknown" in the related blank space.

SECTION 3: HISTORIC USE INFORMATION

EXEMPT USE means the operation of a well, well field, or well system:

1. For the sole purpose of producing groundwater to be used for domestic use purposes;
2. For the sole purpose of providing groundwater for livestock, poultry or personal recreation that is drilled, completed, or equipped so that it is incapable of producing more than 28,800 gallons of groundwater per day;
3. For the sole purpose of providing groundwater for fire fighting;
4. For the sole purpose of providing a heat source or heat sink to a freshwater closed loop geothermal well; or
5. For the sole purpose of providing access to monitor groundwater resources that does not consume more than 5,000 gallons of water per year.

EXEMPT USE WELL means a well utilized to produce groundwater to be used solely for exempt use purposes or a well otherwise exempt under the provisions of Section 36.117 of the Texas Water Code.

NON-EXEMPT USE WELL means a well that is not an exempt use well.

Was each well of the subject well field used in a manner that qualifies as a NON-EXEMPT USE WELL?"	YES NO
Specify the year prior to 2009 for which historic use validation is requested:	
Specify the purpose to which the groundwater produced by the subject well field was used within the year for which validation of historic use is requested:	
Specify the volume of groundwater produced by the subject well field within the year for which validation of historic use is requested:	Ac-Ft
