Agenda Item 1: Call to order and welcome guests.

Mr. Andruss called the meeting to order at 9:30 AM. A quorum was present.

Attached to these minutes is a copy of the meeting sign-in sheet.

No action was taken.

Agenda Item 2: Receive public comment.

Mr. Andruss offer to accept any public comments.

No action was taken.

Agenda Item 3: Consideration of and possible action on minutes of the previous meeting.

Mr. Andruss explained that the minutes of the previous meeting were sent to the GMA 15 representatives prior to this meeting.

MOTION: Mr. Hudgins moved to approve the meeting minutes as drafted. Mr. Stewart seconded the motion. The motion passed.

Groundwater Management Area 15 Meeting Minutes

Agenda Item 4: Consideration of and possible action on matters related to budget and financial reports of Groundwater Management Area 15.

Mr. Andruss explained that an Ms. Krause of Pecan Valley GCD had submitted an invoice for services provided to GMA 15 from LRE Water.

MOTION: Mr. Hudgins moved to accept the invoice and authorize the payment of the invoice in accordance with the GMA 15 cost-sharing agreement. Mr. Van Dresar seconded the motion. The motion passed.

Agenda Item 5: Consideration of and possible action on reports and communication from GMA 15 member districts and GMA 15 representatives to Regional Water Planning Groups.

Mr. Andruss provided a report regarding recent and future activities of Victoria County Groundwater Conservation District included an opportunity for the member districts to cooperate in efforts to assess aquifer conditions.

No action was taken.

Agenda Item 6: Consideration of and possible action on reports from Texas Water Development Board representatives to Groundwater Management Area 15.

Mr. Perez of the Texas Water Development Board provided an update on recent activities and developments at the Texas Water Development Board.

No action was taken.

Agenda Item 7: Consideration of and possible action on matters related to joint planning including professional services related to development and adoption of DFCs for aquifers within GMA 15, the review of management plans and accomplishments of Groundwater Management Area 15 member districts.

Mr. Keester of LRE Water reviewed the work schedule and the work completed since the last meeting of GMA 15 regarding the development of desired future conditions for groundwater management area 15 including the modeling results of two pumping scenarios. Mr. Keester provided a memorandum summarizing the work completed and the modeling results to each of the representatives.

Mr. Andruss explained that the most recently amended or approved management plans for Bee GCD, Coastal Bend GCD, Colorado GCD, and Fayette County GCD were reviewed. Based on the review, each management plan would appear to 1) positively impact water planning, 2) have a positive effect on conserving and protecting groundwater and preventing waste of groundwater, and 3) achieve the desired future conditions to an adequate degree.

Groundwater Management Area 15 Meeting Minutes

MOTION: Mr. Van Dresar moved to accept and approve the assessment of the management plans of Bee GCD, Coastal Bend GCD, Colorado GCD, and Fayette County GCD. The motion passed.

Agenda Item 8: Consideration of and possible action on administrative and organizational matters of Groundwater Management Area 15.

No action was taken.

Agenda Item 9: Consideration of and possible action on identification and scheduling of future agenda items and meetings.

Mr. Andruss explained that the next meeting of GMA 15 is scheduled for July 11, 2019.

No action was taken.

Agenda Item 10: Receive public comment.

No public comment provided.

Agenda Item 11: Adjournment

MOTION: At approximately 10:30 AM, Mr. Van Dresar moved to adjourn the meeting. Mr. Stewart seconded the motion. The motion passed.
