

**Victoria County Groundwater Conservation District**  
**Notice of Proposed Permit Issuance**

Notice is hereby given in accordance with Rule 12.2: NOTICE AND SCHEDULING RELATED TO HEARINGS AND PROPOSED PERMIT ISSUANCE of the Rules of the District that the Victoria County Groundwater Conservation District proposes to issue a production permit authorizing the production of groundwater from a water well for non-exempt uses on September 30, 2024.

Mr. Clarence Wittwer for CSWR-Texas Utility Operating Company seeks, under permitting request case PRC-20240117-02, a standard-capacity non-historic-use production permit authorizing the production of groundwater from grandfathered well GW-001055 for public water supply uses at rates not to exceed 85 gallons per minute or 98.27 acre-feet per year. The subject well is associated with and located in a 196.54-acre certificate of convenience and necessity near the intersection of Levi Sloan Road and Longview Drive in Victoria County, Texas.

Any person who intends to contest a permit application must provide written notice of that intent to the District at 2805 N. Navarro St., Suite 210, Victoria, Texas 77901 at least three calendar days prior to the proposed date of permit issuance as published in this public notice.
